

HOMOEOPATHIC FIRST AID COURSE

Learn how to effectively treat

- ACCIDENTS – falls, burns, bites, stings, car accidents, etc.
- EMERGENCIES – poisoning, shock, bleeding, allergic reactions, etc.
- COLDS, COUGHS AND EARACHES
- STOMACH AND BOWEL PROBLEMS
- BABIES' AND CHILDREN'S ILLNESSES

Course runs for 5 hours, costs \$65, and includes morning or afternoon tea. First aid remedy kits and books also available.

Sessions will be for up to 10 participants at a time, so that each person has plenty of opportunity to actively participate and get the best value out of being there.

Homoeopathy is established firmly as a very powerful system of healing, and is internationally renowned for its safety and wonderful effectiveness in dealing with acute health crises and many other common health problems. The British Royal Family has been using it since 1834.

Any person with the knowledge of homoeopathic prescribing in emergencies, accidents and general first-aid situations, can potentially save a life and reduce much needless pain and suffering amongst his/her loved ones. The need for costly conventional pharmacy drugs with their many side effects can be eliminated.

Homoeopathic remedies have an extremely long shelf life and will prove to be a very wise investment for you and your family – including your pets!
